

Technical Data Sheet

GLASS-DOOR MINIBAR

Supplier name or brand:Hospistyle				
Supplier address: P.O. Box n° 42 Ponte Nossa, 24028 PONTE NOSSA (BG) ITALY				
Model identifier:SC-30SA				
Type of refrigeration appliance:				
Low noise appliance:		Yes	Device type:	free-standing
Cellar refrigerator:		No	Other refrigeration appliance:	No
General product parameters:				
Parameter		Value	Parameter	Value
Overall dimensions- ve (millimeters)	Height- za	475	Total volume (dm3 ol)	28
	Lar- ghez- za	385		
	Pro- funds- ty	420		
EEI		99	Energy efficiency class	AND
Airborne noise emissions (dB(A) re 1 pW)		22	Airborne noise emission class	TO
Annual energy consumption (kWh/a)		76	Climate class:	temperate
Minimum ambient temperature (°C) for which the refrigeration appliance is suitable		16	Room temperature maximum (°C) for which the refrigeration appliance is suitable	32
Winter configuration		No		
Compartment parameters:				
Compartment type	Compartment parameters and values			
	Bet volume childbirth (dm³ ol)	Setting- no time perature recom- give for a con- service nor excellent- the wings	Capacity of congeal- lament (kg/24h)	Defrosting type (au- to-defrost=A, but- nual defrost=M)

			These im- stations they are not in contra- I'm with them conditions of conservation tion of which to the attachment IV, table 3		
food storage	No	-	-	-	-
Cellar	No	-	-	-	-
Moderate temperature- ta	Yes	28.0	12	-	-
Fresh foods	No	-	-	-	-
Cooling down	No	-	-	-	-
0 stars or ice production	No	-	-	-	-
1 star	No	-	-	-	-
2 stars	No	-	-	-	-
3 stars	No	-	-	-	-
4 stars	No	-	-	-	-
2 star section	No	-	-	-	-
Tempera- variable ture	-	-	-	-	-
Light source parameters:					
Type of light source			-		
Energy efficiency class			-		
Minimum duration of the warranty offered by the manufacturer:12 months
